Great Support in College Recruiting

"T3 coaches work tirelessly to bring each girl to their full lacrosse potential and the organization provides the girls with maximum exposure to the best colleges. We were amazed by the support provided throughout the entire recruitment process.

Thanks to T3 our daughter will be playing at the collegiate level."

Awesome Coaches

"My coach took the game seriously but at the same time it was so much fun! She built my confidence as a player, improved my game on both offense and defense and pushed me to be the best lax player that I can be."

Competitive Teams and Tournaments

"T3 doesn't shy away from the big tournaments with the best teams and it is those experiences, built over several years, that I am convinced have made their team a force to be reckoned with, year after year. Now that my daughters are entering high school and have confirmed their desire to play lacrosse at the collegiate level, I am confident that the T3 organization has the knowledge, experience and connections to shepherd them (and us) through the complex recruiting process that is ahead. I wouldn't trust my daughters' athletic futures to any other people or any other club."

Fun Yet Intense Lacrosse

"Joining T3 was one of the best things I've ever done to expand my lacrosse abilities. Not only did I get the chance to play against some of the best teams in the country, make some new best friends and learn from great coaches but I had a ridiculous amount of fun doing it. T3 has been amazing to me and I highly recommend it to anyone."

Passionate Staff

"What sets T3 apart from the others is simply the quality of the coaching staff! Our daughter's coach is not only a passionate and dedicated career coach who's up to date with the latest techniques and strategies of the game, she's someone our daughter respects and strives to emulate. Thanks T3 for raising the bar and inspiring and teaching her to be a better player, teammate and person."
